

Freeze Your Buns 2012 Race Series-Results for Race #1

The first race in the Freeze Your Buns 3 race series organized by the Brockville Road Runners took place on Sunday January 29th, 2012 at the Brockville Memorial Center with a large turn out of 98 participants. Mild but icy conditions made the course slippery and added to the challenge of this winter event, designed to promote and encourage physical exercise throughout the winter. The 1 Km event was won by *Brittany Alkerton* who handled the slippery conditions well finishing in a time of 4:01, 13 seconds ahead of Justin McKinnon who finished in a time of 4:14. *Eric Wynands* won the 5 Km event hitting the finish line in a time of 17:51 despite running on icy sidewalks and *Paula Wiltse* was the first woman across in a time of 18:29. The second race of the 3 race series will be held on Sunday February 26th, 2012 with the 1Km event starting at 11:00 and the 5 km event starting at 11:15. Participants in a 3 races receive a long sleeved running shirt at the end of the series. All proceeds from these events goes to the local food bank as does the canned good donations.
