

Freeze Your Buns 2012 Race Series-Results for Race #2

The second race in the Freeze Your Buns three race series organized by the Brockville Road Runners took place on Sunday February 26th, 2012 on a beautiful sunny day with 93 participants braving the winter conditions in an effort to better their times from the first race in the series. Friday's storm left behind snow covered sidewalks which made the footing challenging and added to the difficulties of this winter event, designed to promote healthy life styles.

The 1 Km event was won once again by **Brittany Alkerton** who handled the snowy conditions well, finishing in a time of 3:50, a full 10 seconds faster than in her first race of the series. **Justin McKinnon** was the first boy in, also a repeat from the first race, finishing in a time of 4:12.

Eric Wynands won the 5 Km event for the second time in a row hitting the finish line in a time of 17:21, a full 30 seconds faster than his first race time despite the snow, and **Grace Keenleyside** was the first woman across in a time of 19:18.

The third race of the 3 race series will be held on Sunday March 25th, 2012 with the 1Km event starting at 11:00 and the 5 km event starting at 11:15. Participants in all 3 races receive a long-sleeved running shirt at the end of the series. All proceeds from these events go to support the local food bank as do the canned good donations. Special thanks go out to St John's Ambulance for their untiring support of this event as well as to Tait's Bakery for donating the "Buns" for the awards table at this event.
