

Brockville Road Runners
Freeze Your Buns 1Km/5Km Series
Run #2
Saturday Feb 22, 2014

Conditions were tough for the participants in the second of the three race Freeze Your Buns series held on Saturday February 22, 2014 despite milder temperatures. Heavy rainfall the day before combined with cooler overnight temperatures made the footing treacherous and high winds further impeded the racers' progress making the uphill section on Laurier very challenging. True Canadian spirit prevailed as participants accepted the challenges of winter running and pulled off some very fast times despite the weather. The 1 km event was won for the second time in a row by Alyshia Alkerton in a time of 4:13. The first male in was Bennet Armstrong in a time of 5:47. The 5 km event saw a repeat winning performance with Eric Wynands crossing the finish line first in a time of 16:46 and Brittany Alkerton finishing first on the women's side in a time of 20:59.

Competitors finishing all three races in the race series earn a long sleeved race shirt. The last race of the series will be held on Saturday March 22, 2014 starting from the Memorial Center with the 1 km going out at 10:00 and the 5 km going out at 10:15. Awards for the series are donated from Tait's Bakery and from Burnbrae Farms with all proceeds going to support the local food bank.
