

Jingle Bell Chase 5K; Saturday November 26, 2016

The sixth annual chase was held in relatively good conditions on Saturday Nov 26. Race director Rick Swift made a modification to the course, cutting out the trip around Laurier Hill, through the trails, etc in favour of completing the basic FYB's road circuit. The start/finish was still at the soccer pavilion at Laurier Hill.

Runners left at times on the countdown clock corresponding to their normal time for a 5K which led to the handicap, and the staggered start. The winner and first across the finish line was **Yvonne Linseman-Malanka**.
